

## Find great deals at Suburban Home & Flower Show

February 19 – 22 at the Greater Philadelphia EXPO Center at Oaks

***What's the BIG DEAL?*** Take advantage of timely discounts to build value into your home. “If you’re struggling to see a silver lining in the beaten-down real estate market, consider this... It may be a rotten moment to sell your house, but if you’ve postponed a much needed renovation project on your home – replacing a rotting deck, repairing a leaky roof or updating an antiquated bathroom – now is the best time in years to tackle that task.” Excerpted from *How to fix up your house on the cheap*. Now more than ever, homeowners are looking for deals, and many companies are ready to offer great values. At the Suburban Home & Flower Show, exhibitors will be promoting their BIG DEAL to visitors of the Show. For example, **Bath Fitter of Greater Philadelphia** is offering 10% off the entire job for anyone who signs up for a free estimate. **Heat Shed** will offer a free site visit and estimate for an energy and cost-cutting solar photovoltaic system for home or business.

**Halpin-Regal & Donze**, a supplier of **Wood-Mode** cabinetry will offer 40% off on all cabinets for show attendees, in addition to a free design consultation and site visit to measure and inspect the home. A free sink and faucet (a \$700 value) will be added to the deal for those who order a complete kitchen job.

**Garage America** will extend \$500 off any complete Garage Makeover as their show deal. **WindowWizards** will reward those show goers who buy two windows with a third window at no additional cost. **Door Magic** will offer a free hardware upgrade with purchase of a Door Magic makeover.

Be sure to look for the “**What’s The BIG DEAL?**” signs in these and many other displays to take advantage of the *deals* and *steals* on tap at the Suburban Home & Flower Show!
